

REQUIREMENTS FOR SUBMITTING ARTICLES

The produced and properly submitted materials (in the form of scientific articles) are planned to be published in a professional edition - the Scientific and Technical Journal "Automobile Roads And Road Construction" (the order of the Ministry of Education and Science of Ukraine dated July 11, 2016 No. 820 is included in the List of scientific professional editions of Ukraine).

In connection with the necessity of integrating the Scientific and Technical Journal "Automobile Roads And Road Construction" into the International scientometric bases and according to the order of the Ministry of Education and Science of Ukraine dated January 15, 2018 N 32 "On approval of the procedure for the creation of the list of scientific professional editions of Ukraine", the editorial board of the Scientific and Technical Journal "Automobile Roads And Road Construction" decided to introduce updated requirements for the submission of the articles below.

We request you to comply strictly with the procedural requirements for submitting the articles and to pay attention to the need for consideration of articles at meetings of the departments (scientific institutions), preparation of extracts from the minutes of meetings of the departments (scientific institutions) about the recommendation for printing. We also ask for proper reproduction of articles and submission of articles in English.

We would like to draw your attention that the articles submitted in the **English or EU languages** will be published in **the special issue of the Scientific and Technical Journal "Automobile Roads And Road Construction"**.

General requirements

The text of the article is to be prepared by computer typing method in MS Word editor for Windows, thoroughly verified, printed and signed by all authors.

The text should be typed in 1 interval in the font "TimesNewRomanCyr", the size of 11 points of black color of standard fat in the format A4, paragraph indent 1.25. The page should have 4 margins: lateral - 20 mm, top - 20 mm, bottom - 20 mm. The minimum size of the article, excluding references and summaries, is 12 thousand printed characters with spaces (5 pages of typed text), the maximum - 24 thousand (up to 8 pages of typed text).

The article header: leave 5 empty lines from reference data to the top of the page and to the main text. Symmetrically on a sheet the title must be printed (the font is normal, the size is 11pt, all uppercase letters):

Author's photo	Title of the article (in Ukrainian)
	Title of the article (in English)

surname, given name, patronimic name (in full, in English transliteration), academic degree (in full), academic title (in full), main place of work (in full, without abbreviations), position, e-mail, contact phones (necessarily, with codes, for the possibility to call you from abroad), indicator ORCID

Article structure:

- SUMMARY (150 – 200 words)
- KEYWORDS up to 5 words
- INTRODUCTION
- MATERIALS AND METHODS
- RESULTS AND DISCUSSION
- CONCLUSIONS AND REFERENCES

The prepared article is completed by two summaries. After the title of the article and information about authors, it must be given the summary in publication language from 150 to 200 words.

At the end of the completed article, in a separate block, authors give a second summary: a publication that is not written in English (Appendix 1) is accompanied by the summary in English with a volume of at least 1,800 characters, including keywords. If the publication is not prepared in Ukrainian (Appendix 2), it should be accompanied by the summary in Ukrainian of at least 1,800 characters, including keywords.

Design:

- write *straight* - numbers, Greek letters, Cyrillic alphabet, trigonometric functions (tan, sin, etc.), fixed expressions (max, const, etc.), chemical elements; *in Italics* - English symbols of formulas, Roman numerals, numbers of explication;
- between formulas, figures, tables and text leave one blank line;
- formulas (12-10-8-12-16 pt) dial in Eq.3 and centered, numbering - to the right of the column; tables - do not exceed the area of page printing;

- the words "Table", "Fig." are written with a capital letter, written in capital letters, in the text - in the usual font, in the title - semi-bold; text in the margins of drawings minimized;

- in the list of references - at least 8 references; as punctuation marks use only point and comma (standard APA).

The list of sources (bibliography), which are referenced in the article, is made in accordance with the requirements: the list of references in the original language submitted in accordance with DSTU GOST 7.1: 2006 "System of standards for information, library and publishing. Bibliographic record. Bibliographic description. General requirements and rules of drafting" (Bulletin of the Higher Attestation Commission of Ukraine, No. 5, 2009).

The list of references, designed according to the American APA (American Psychological Association) <http://www.apa.org>, should also be referred to as "REFERENCES" in transliterated form and translation of the name into English.

The bibliography (References) is given as a completely separate unit, repeating the list of references to the Ukrainian-language part, regardless of whether it contains foreign sources or not. If the list contains links to foreign publications, they are reiterated in full in the list that is created in the Roman alphabet.
